

SERVICES PORTFOLIO

IT Security & Compliance

Staying a step ahead of the bad guys requires focused management and execution. Make sure business technology protection is a priority.

IT Support Services

We monitor and manage our clients' networks, desktops, and everything in between.

Physical Security

There's one thing everyone agrees on - protecting your people and your assets is absolutely critical.

Corporate Audio, Video Services

Keep your people connected. Conferencing and video room systems save time, money and travel.

Structured Cable | Wireless Access

As the size and nature of your business changes, so will your need for IT access and more speed.

Professional Consulting Services

Need advice for a big project or want strategic input that will help you meet your IT goals?

Managed Service Plans

RetainIT Service Program

A flexible IT support plan that offers budget control and hourly cost savings

For clients interested in getting IT support on an as-needed basis, NuLeaf offers *RetainIT*. This flexible IT support plan offers budget control as well as hourly cost savings.

With *RetainIT*, you purchase a block of time for future services at a discounted, fixed labor rate. The time can be used for any purpose, including project assistance, technology implementations, onsite repairs, consulting, planning, and reviews.

RetainIT Service Program includes...

- Guaranteed response time window of 8 business hours
- Dedicated primary technical consultant
- First-attempt offsite repair to save travel charges and onsite minimums
- Convenient renewal notification when available time balance falls to 20%

RetainIT time applies to the following NuLeaf provided services...

- Hosted Email w/Spam Filtering
- Spam Filtering
- ProtectIT Server
- ProtectIT Server - BDR
- ProtectIT Offsite Storage (Must have ProtectIT Server or ProtectIT BDR)

We Make IT Easy

When keeping your IT on track is a top priority – NuLeaf makes IT happen – at a cost that makes sense.
